

### About Key2Green

Key2Green Pvt Ltd is one of the renowned exhibition companies in India. The main focus of the exhibitions of Key2Green is Agriculture and Allied sectors like Poultry, Dairy & Food. It is currently organizing 7th Editions of AGRI FEST, POULTRY FEST, DAIRY FEST and FOOD FEST at Lucknow (India).

We not only organize exhibitions but strive to participate in major International Exhibitions in other parts of the world to promote Indian Agriculture, Poultry, Dairy & Food industries. We also conduct Seminars, Conferences, Workshops, Training Programmes etc to create platforms for sharing knowledge and developing skilled work force. We also provide complete consultancy to entrepreneurs in establishing these industries. We are committed to the augmentation of Agriculture and Allied sectors. The management team of Key2Green in consultation with its Advisory Board promotes innovative concepts for the growth & developments of these focus sectors.

## **ABOUT FOOD FEST**

**2018**

With changing demographics; rising disposable incomes; increasing number of nuclear families & working women; changing lifestyles, the demand for Ready-to-eat foods, functional foods or processed foods is mounting like never before. After successfully organizing six editions of Food Fest and keeping the above in mind, Key2Green is now conducting 7th edition of FOOD FEST 2018 so as to multiply the growth of the food sector.

FOOD FEST continued its momentum in its sixth edition. The expo welcomed international delegates from Poland, Russia, China, Egypt, Suriname, Holland, Africa, Nepal, Bangladesh, Sri Lanka, Bhutan, Pakistan, Myanmar, Iran and Afghanistan. It has seen a steep rise in the number of exhibitors & visitors.

The three-day event served as an excellent platform for exploring a highly potential region untapped so far with new business opportunities in the emerging areas of dairy, poultry, food processing rightly supported by the policies and schemes of the state government. The exhibition will be a showcase for the sector's latest technologies and solutions to food processors, researchers, scientists, dealers, distributors, innovators, manufacturers, suppliers and other stakeholders in the sector.

Thanks to its high standing for the last 6 years, and its establishment as the focal point for the Uttar Pradesh's growing and diversified agriculture and allied market, Food Fest has witnessed good participation from Indian as well as MNCs from across India and abroad.
